

Join us in  
**New Orleans**  
for the  
**Winter 2010 GRIPE Meeting**  
**January 14** (Committee Meetings) **15, 16, 17**

**Hosted and Sponsored by Tulane University Medical Center**

**Department of Pathology and Laboratory Medicine**

**Host: Byron E. Crawford, II, MD; Sponsor: Tong Wu, MD, Ph.D., Chairman**

**Ritz Carlton Hotel, 921 Canal Street**

**\$179 s/d expires December 23, 2009, 1-800-826-8987**

**Registration: <http://peir.net/griper> available Fall 2009**

At the end of this meeting, attendees should be able to:

1. Compare future of undergraduate medical education with current status quo.
2. Discuss the value of a medical education in terms of dollars.
3. Identify interactive learning teaching methods.
4. Review possible collaborative research topics for GRIPE Members.
5. Establish research goals in pathology education.
6. Recall updates for two GRIPE member's ongoing pathology research projects.
7. Integrate alternate methods of teaching pathology when lectures are discouraged or difficult because of distance.
8. Explain pathogenesis maps.
9. Employ techniques to reduce anxiety among students prior to tests.
10. Develop institutional initiatives that will enable medical students to become better adult life-long learners.

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the University of Oklahoma College of Medicine and the Group for Research in Pathology Education (GRIPE).
